

Breakfast Club Policy

Code of Behaviour

The code of behaviour mirrors the high expectations within Janvrin School.

Within the school the whole ethos is based on individual development, self-control, mutual respect and the development of self-esteem.

Everyone at breakfast Club is expected to:-

- Behave appropriately at all times to ensure their own and that of other people's safety
- Respect everyone attending Breakfast club
- Look after and respect resources that are used

Praise for good behaviour, working together, sharing, courtesy and helpfulness will be the ethos and heart of the Breakfast Club in order to offer a service that aims to promote good health and well-being for all who attend.

Any child who behaves inappropriately will be reminded about our rules of conduct and will have the opportunity to talk about the issues relating to and resulting from their behaviour

If poor behaviour is serious and/or persistent, parents/carers will be informed either verbally or in writing and asked to meet a member of staff to discuss ways forward

Ultimately, if poor behaviour continues, or any problems arise adversely affecting the health and safety of themselves or others, a meeting with parents/carers will ensue to discuss removing the offer of placement at breakfast club
