Dear Parents and Carers,

At Janvrin School we use individual 'learning journeys' for your child through a piece of educational software called 'Tapestry'. By logging on with a secure username and password you will be able to view all of your children's observations, photographs and even video from their time at Nursery and Reception. You will even receive an email telling you when a new observation or piece of work is available for you to view.

This will enable you to follow your child's individual progress closely and you can reflect upon their achievements with your child. You can add comments so that we as a staff find out about which activities your child really enjoyed and the learning that goes on at home. Staff will reference your child's learning to Development Matters in the EYFS profile so you will know which area of learning your child is achieving in and the age-band they were working in for that activity. All of this information is stored on a highly secure server which is monitored closely.

E-safety is extremely important to us at Janvrin School, therefore we ask you to provide us with the following information and to sign the agreement and other information overleaf to show that you understand and will agree with our guidelines. Please return this as soon as possible.

We are sure that you will love this way of viewing your child's achievements as much as we do!

Many thanks,
The Foundation Stage Team.

Please complete and return to school.
